Dear Friends and Sponsors:

ADMH, a 501(c)(3) nonprofit organization, provides individuals with developmental and intellectual disabilities and their families with medical, psychosocial, behavioral, and functional healthcare services through our interdisciplinary team of professionals. The ADMH team meets immediate needs, but also supports long term planning for a full, healthy, and independent life.

We need YOUR help to ensure that these medical services, which may not be covered under private insurance, Medicaid or Medicare, continue and expand to support more individuals. Our wait list is six months long!

Due to the COVID 19 pandemic, our race is now “virtual” – Home Edition! We have created many opportunities for our sponsors to reach and interact with participants. The events take place between September 26<sup>th</sup> and October 18<sup>th</sup>, culminating in a Facebook Live streaming event.

Please join us and our special guest, Crash Clark, as a sponsor of our Run for Health - Home Edition! You will help us build an even greater, more accessible program of comprehensive health and related services for teens and adults with disabilities.

Sponsors receive:

#### Recognition of your organization

- Before, during, and after Oct. 18th ADMH social media channels
- During Facebook Live events: Opening Ceremonies, Finish Line, and Awards Ceremony
- On the ADMH and Run for Health event websites
- On our Run for Health T-Shirts
- In promotional pieces

**Digital commercial spots** on ADMH social media channels to connect you directly with our thousands of participants, families, and supporters

#### Free race registrations

#### Opportunity to place information or gifts in our Swag Bags

We value our partnership with you and are very thankful for your sponsorship! Our teens, men and women with developmental disabilities, thank you for making them a priority!

Sincerely,

Adult Disability Medical Healthcare, Inc.
