## Improving healthcare possibilities for teens and adults with developmental disabilities

Dear Friends and Supporters:

We are asking for your support to help us build an even greater, more accessible program of comprehensive health and related services for teens and adults with developmental disabilities.

Please join us by becoming a sponsor for **ADMH Run for Health** on September 15, 2019 and in so doing, increasing healthcare and related support services to those who currently have limited access. Our ADMH Run for Health is a 5K and 1K Run/Walk supporting a growing population that is often neglected in the health and service system.

What happens to individuals with disabilities once they age-out of pediatric care? According to Maternal and Child Health Bureau, they are at increased risk for chronic and newly diagnosed health conditions. Access to the adult service system is often difficult to navigate. The transition process requires ongoing support and guidance.

**ADMH** is located at Urban Family Practice Associates and provides health and wellness to teens and adults with developmental disabilities. The **ADMH** interdisciplinary team provides comprehensive care within the framework of a Patient Centered Medical Home. With **YOUR** help, we can increase clinics, serve more individuals and reduce the long waiting lists.

**ADMH** assists individuals and their families with medical, psychosocial, behavioral, functional issues as well as long term planning – all in one place. We need **YOUR** help to support these services that are not covered under private insurance, Medicaid or Medicare.

ADMH is a 501(c)(3) nonprofit organization. Your sponsorship is tax deductible. A sponsorship proposal is attached for your review and consideration.

Our teens, men and women with developmental disabilities thank you for making them a priority.

Adult Disability Medical Healthcare, Inc.

### CLINICAL TEAM

Andrea Videlefsky, MD  
*Medical Director*

Janice Nodvin  
*Executive Director/Clinic Director*

# ADMH Run for Health

..... is a 5K/1K Run/Walk fundraiser to improve the health inequities of teens and adults with developmental disabilities. This race is organized by the Adult Disability Medical Healthcare, Inc. (**ADMH**), a medical practice providing comprehensive healthcare and resources to teens and adults with developmental disabilities.

## FACTS

- People with developmental disabilities are living longer and in their communities.
- Healthcare needs of teens and adults with developmental disabilities are often neglected as they transition from pediatric to adult services.
- Their insurance, mostly Medicaid, does not adequately cover their medical and other related healthcare needs.
- **ADMH** sees patients from adolescents to seniors.
- **ADMH** uses a holistic team approach covering medical, psychosocial, behavioral, access to services, and futures planning.
- Funds raised support the gap so that all people can receive comprehensive and coordinated care within the framework of the Patient Centered Medical Home model.
- There are long waiting lists – additional funding can help support more clinical time.

The purpose of this race is to bring together members of the community with a focus on providing awareness to a critical healthcare need for a growing population in YOUR community.

## HOW CAN YOUR SUPPORT HELP?

**Fund A Clinic (Silver Sponsor):** Funding for much needed clinical time.

**Add Services:** Funding for services such as nutrition, support and training.

**Reach Your Community:** Share our findings with other professionals, families and the community.

**Support People With Inadequate Funding:** Funding to assist our patients who have no insurance or inadequate insurance.

**Expand Our Depth of Disabilities:** To serve individuals with a variety of development disabilities.
