Improving healthcare possibilities for teens and adults with developmental disabilities

Dear Friends and Sponsors:
Thank you for your support and interest in the Adult Disability Medical Healthcare (ADMH).

ADMH, a 501(c)(3) nonprofit organization, provides individuals with developmental and intellectual disabilities and their families with medical, psychosocial, behavioral, and functional healthcare services through our interdisciplinary team of professionals. The ADMH team meets their immediate needs, but also supports long term planning for a full, healthy, inclusive and independent life.

We need YOUR help ensuring these medical services, which may not be covered under private insurance, Medicaid, or Medicare, are available for more individuals. Our wait list is six months long!

You will help us build an even greater, more accessible program of comprehensive health and related services for teens and adults with disabilities by becoming a sponsor for the 2023 ADMH RUN FOR HEALTH.

SPONSORS RECEIVE:

- Valuable promotion
  - Before, during, and after the event through ADMH social media channels
  - Visibility on the ADMH and Run for Health event websites
  - Placement on the Run for Health T-Shirts
  - Promotional and marketing pieces
  - Exposure in press releases
- Free race registrations
- Complimentary vendor space
- Opportunity to place information or gifts in our Swag Bags

We value our partnership with you and are very thankful for your sponsorship and continued support! Our teens, men and women with developmental disabilities, thank you for making them a priority!

Sincerely,
The Adult Disability Medical Healthcare Team

THANK YOU FOR YOUR SUPPORT!!!

Hosting hundreds of participants, the Run for Health is a 5K/1K/Push Assist with a fun, family atmosphere raising funds to address the health inequities of teens and adults with developmental disabilities. This race is organized by Adult Disability Medical Healthcare, Inc. (ADMH), a medical practice providing comprehensive healthcare and resources to teens and adults with developmental disabilities.
